Dear Mr. Lynch:

Oversight Committee Democrats are investigating allegations of corruption and influence-peddling within the Trump Administration.[1] Former U.S. Ambassador to the Hellenic Republic Kimberly A. Guilfoyle is alleged to have solicited Mr. Eric Deters for a $100,000 payment, with the promise of as much as a $1 million payoff later, in exchange for ensuring access to senior Trump Administration officials.[2] As Ms. Guilfoyle's producer, you appear to have been informed about the "arrangement" between Ms. Guilfoyle and Mr. Deters at least as early as January 2025, and you communicated heavily with Mr. Deters about the political influence he was promised.[3] As such, I request your cooperation with our investigation.

According to communications reviewed by Committee Democratic staff, you appear to have communicated extensively with Mr. Deters, often on behalf of Ms. Guilfoyle or in furtherance of connecting Mr. Deters with senior Trump Administration officials such as FBI General Counsel Sam Ramer and FBI Director Kash Patel. Additionally, in June 2025, Mr. Deters reminded you about what former Ambassador Guilfoyle described as her and Mr. Deters's "arrangement" and conveyed to you that Ms. Guilfoyle said you "may do some rewarding to some of it." Ms. Guilfoyle had also stated, "[Drew Lynch] works for me."[4]
