Notes Transcribed on June 7, 2022

My name is Miah Cerrillo, and I go to Robb Elementary. We were just watching a movie and then she got an email and then she went to go lock the door and he was in the hallway and they made eye contact. Then she went back in the room and told us to go hide and then we went to go hide behind my teacher's desk and behind the backpacks. And then he shot the little window and then he went to the other classroom and then he went...there's a door between our classrooms and he went through there and shot my teacher and told my teacher...cause he shot her in the head and then he shot some of my classmates and the white board. When I went to the backpacks, he shot my friend that was next to me and I thought he was going to come back to the room. So, I got a little blood and I put it all over me and

I just stayed quiet and then I got my teacher's phone and called 911.

I told her that we need help and to send the police in our classroom

To have security.

Miah shakes her head no.

Because I don't want it to happen again.

Miah shakes her head yes.
