31. **Payment of Taxes.** If applicable, DDC agrees to remit all sales, use, excise, and other taxes collected from API now or hereafter as required by any government body or authority based on or in any way measured by this Agreement.
32. **Assignment.** Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party, provided, however, that a sale of all or substantially all of the ownership interest or stocks of a party shall not be considered an assignment.
33. **Non-solicitation.** During the term of this Agreement, and for a period of one (1) year thereafter, Client and DDC will not directly or indirectly solicit the employees or customers and subcontractors of the other without prior written consent.
34. **Termination.** Either party shall have the right to terminate this agreement at any time by giving written notice to the other. Upon receiving such notice of termination from API, DDC shall cease incurring costs on this project, except with API's prior approval for such costs which are necessary to close out the project. In the event of such termination, API's payment obligations shall be to compensate DDC for prorated monthly service fees unearned and costs incurred as of the termination date, including uncancellable legal obligations that DDC has made at API's request, and subsequent costs incurred with API's approval. All prepaid/yearly license fees are non-refundable. If applicable, DDC shall reimburse API for amounts paid in advance for which services were not provided (not including any yearly license fees). In no event shall such payment include costs and/or anticipated fees for unperformed work or exceed the maximum amount of the agreement as set forth in paragraph 6. Should DDC elect to terminate this agreement, it agrees to complete any assignments underway, if API so requests, of which API has paid for.
35. **Notice of Claims.** Each party agrees to notify the other party (in the case of API, API's Contract Officer) within five business days of any threats of litigation or of any assertion or allegation that the rights of any third party have been violated by any actions taken pursuant to this Agreement. In response to said assertion, the appropriate party agrees to: (1) consult with the other party (in the case of API, API's Contract Officer) to determine what action needs to be pursued, and (2) to take any action that is deemed necessary by a party to protect both parties. The parties agree that if a party determines that there is a reasonable basis for said assertion, that party may immediately suspend or terminate this Agreement. Neither party shall be liable to the other party for any lost royalty, cost, expense, or damage whatsoever resulting from a suspension or termination made pursuant to this paragraph. If practicable, the party suspending or terminating the agreement in connection with any such issue(s) shall first provide the other party with notice, and an opportunity to cure.
36. **Method of Giving Notice.** Any notice required or authorized by this Agreement shall be given in writing and shall be delivered by personal delivery, e-mail transmission, overnight courier, or by certified or registered mail, and shall be deemed received: (i) on the date of personal delivery or facsimile or e-mail transmission (with confirmation of transmission), or (ii) on the next business day if delivered by overnight courier, or (iii) on the third business day if deposited into the United States mails. All notices to API shall be sent to the API Contract Officer. All notices to DDC shall be sent to the Project Manager.

37. **Choice of Law.** This Agreement shall be governed by and construed in accordance with the laws of the District of Columbia, without regard to the rules regarding conflicts of law. The parties agree that any action, suit, or proceeding based upon any matter, claim, or controversy arising under this Agreement shall be brought exclusively in the federal or state courts located in the District of Columbia. The parties consent to the jurisdiction and venue of such courts, and waive any objections to the jurisdiction and venue of those courts.
38. **Complete Agreement.** This Agreement sets forth the entire agreement between the parties. This Agreement supersedes all prior proposals, understandings or agreements, oral or written, relating thereto.
39. **Severability.** The terms and conditions of this Agreement are severable. If any term or condition of this Agreement is deemed to be illegal or unenforceable, all other terms of this Agreement shall remain in effect.
40. **Priority of Terms.** For any inconsistencies between this Agreement and its attachments, the express terms of this Agreement shall govern.
41. **Modification and Waiver.** The failure of either party to enforce its rights under this Agreement at any time for any period shall not be construed as a waiver of such rights. No changes or modification or waivers to this Agreement that would increase or decrease the total cost by more than \$10,000 or extend the completion date will be effective unless in writing and signed by both parties. Any modification of this Agreement must be specifically referenced.
42. **Execution.** This Agreement may be signed in multiple counterparts that together shall constitute a single agreement. This Agreement, including any modifications, waivers, or notifications relating thereto, may be executed and delivered by facsimile, electronic mail, or other electronic means. Any such electronically transmitted document shall constitute the final Agreement of the parties.
43. **Authority to Contract.** The undersigned individuals represent and warrant that they are expressly and duly authorized by their respective entities to execute this Agreement and to legally bind their respective entities as set forth in this Agreement.
44. **Surviving Terms.** Paragraphs 7-43 shall survive the termination of this Agreement.
