Subject: US Communications week ahead for 9/13/21

Attachments: UPDATE: Hurricane Ida response

Hello all,

We're three weeks from *formally* returning to our US offices (hat tip to those already in, notably the Houston team!). Dave and other business leaders will communicate the protocols of our return this week, including vaccine declarations (and mandates for some), ID'ing vaccinated team members, testing unvaccinated, masks, and health plan points for getting vaccinated. As Dave has said before, **it's important that we come back safely and following the best available science.**

Also this week, the US team should check schedules to ensure you're joining these meetings:

- C&A Americas all-hands call w Mary: Tues at 2pm EDT
 - Preview of US Impact Report: Wed at 11am EDT
 - US Comms team meeting: Thurs at 12pm EDT

Finally, a case study in great public affairs work is attached. Following Hurricane Ida and bp's support for the recovery, Brett, Wynn and team worked with a half dozen key stakeholders to ensure they spoke positively about bp on their social channels (ie. *versus bp speaking about bp...*). The email is truly worth a read.

It's the last full week of summer --- make it the best week,
JP
