

## OVERSIGHT DEMOCRATS ARE FIGHTING BACK

Oversight Democrats have initiated more than **150 investigations and letters of inquiry** and introduced **two formal House Resolutions of Inquiry** -- these include **more than 1,000 requests for information and documentation** directed at the Trump Administration, Elon Musk, and DOGE on issues related to health care, national security, the illegal termination of federal employees, the unlawful and wholesale dismantlement of federal agencies, conflicts of interest and corruption, and Administration policies that increase prices and make life harder for American families.

## OVERSIGHT DEMOCRATS ARE WINNING

Oversight Democrats have built a strong coalition of stakeholders both in and out of government to **investigate**, **litigate**, and **terminate** the dangerous and unlawful abuses of DOGE and the Trump-Musk Administration. These efforts are forcing Co-Presidents Trump and Musk into retreat on several fronts:

**ILLEGAL:**  
**Merit Systems Protection  
Board Termination**

**IG INVESTIGATION:**  
**DOGE Access to Treasury  
Payments System**

**ILLEGAL:**  
**Probationary Employee  
Mass Firings**

**IG INVESTIGATION:**  
**DOGE Cyber and Privacy  
Violations**
