Dear Governor Snyder:

As you know, Democrats will be in the majority in the House of Representatives beginning in January, and I have been chosen as the incoming Chairman of the Committee on Oversight and Government Reform. I am writing to request that you fully comply with the Committee's previous bipartisan request for documents relating to the Flint water crisis, as set forth in the letter on February 26, 2016.¹ I intend to continue this investigation in the next Congress.

Please refer to the instructions included with the February 26, 2016, letter on how to respond to this document request. As specified therein, upon completion of the document production, please submit a written certification that a diligent search has been completed and all responsive documents have been produced to the Committee.

Please provide all responsive documents and the certification by January 11, 2019. If you have any questions about this request, please contact my staff at (202) 225-5051.
