Washington, DC 20201

Dear General Kelly:

I am writing to request documents relating to the federal government's preparation for and response to recent hurricane activity affecting multiple U.S. states and territories. Specifically, I request:

1. Documents or communications received, prepared, or sent before September 5, 2017, by officials of the White House or any of its components, offices, or directorates, relating to threat assessments, mitigation measures, emergency preparedness, or other contingency plans in the case of a hurricane striking Puerto Rico or the U.S. Virgin Islands; and
2. Documents or communications received, prepared, or sent between September 5, 2017 and October 4, 2017, by officials of the White House or any of its components, offices, or directorates, relating to any steps taken to prepare Puerto Rico and the U.S. Virgin Islands for Hurricanes Irma and Maria, as well as logistics challenges, distribution of commodities, or power restoration following the storms.

Thank you for your assistance with this request. I am aware of the many demands on the White House's resources following the hurricanes. Therefore, my office will coordinate with your staff on a production schedule that will meet our oversight needs while respecting the importance of devoting White House resources to the immediate response effort. Please contact Britteny Jenkins of the Democratic staff at (202) 225-5051 with any questions about this request.

Sincerely,

Elijah E. Cummings  
Ranking Member

1. In complying with this request, you are required to produce all responsive documents that are in your possession, custody, or control, whether held by you or your past or present agents, employees, and representatives acting on your behalf. You should also produce documents that you have a legal right to obtain, that you have a right to copy or to which you have access, as well as documents that you have placed in the temporary possession, custody, or control of any third party. Requested records, documents, data or information should not be destroyed, modified, removed, transferred or otherwise made inaccessible to the Committee.
2. In the event that any entity, organization or individual denoted in this request has been, or is also known by any other name than that herein denoted, the request shall be read also to include that alternative identification.
3. The Committee's preference is to receive documents in electronic form (i.e., CD, memory stick, or thumb drive) in lieu of paper productions.
4. Documents produced in electronic format should also be organized, identified, and indexed electronically.

8. When you produce documents, you should identify the paragraph in the Committee's schedule to which the documents respond.
9. It shall not be a basis for refusal to produce documents that any other person or entity also possesses non-identical or identical copies of the same documents.
10. If any of the requested information is only reasonably available in machine-readable form (such as on a computer server, hard drive, or computer backup tape), you should consult with the Committee staff to determine the appropriate format in which to produce the information.
11. If compliance with the request cannot be made in full by the specified return date, compliance shall be made to the extent possible by that date. An explanation of why full compliance is not possible shall be provided along with any partial production.

14. If a date or other descriptive detail set forth in this request referring to a document is inaccurate, but the actual date or other descriptive detail is known to you or is otherwise apparent from the context of the request, you are required to produce all documents which would be responsive as if the date or other descriptive detail were correct.
15. Unless otherwise specified, the time period covered by this request is from January 1, 2009 to the present.
16. This request is continuing in nature and applies to any newly-discovered information. Any record, document, compilation of data or information, not produced because it has not been located or discovered by the return date, shall be produced immediately upon subsequent location or discovery.
17. All documents shall be Bates-stamped sequentially and produced sequentially.
18. Two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff. When documents are produced to the Committee, production sets shall be delivered to the Majority Staff in Room 2157 of the Rayburn House Office Building and the Minority Staff in Room 2471 of the Rayburn House Office Building.

19. Upon completion of the document production, you should submit a written certification, signed by you or your counsel, stating that: (1) a diligent search has been completed of all documents in your possession, custody, or control which reasonably could contain responsive documents; and (2) all documents located during the search that are responsive have been produced to the Committee.
