

DEPARTMENT OF THE TREASURY WASHINGTON, D.C.

SECRETARY OF THE TREASURY

July 28, 2020

The Honorable Louis DeJoy Postmaster General 475 L'Enfant Plaza, SW Washington, DC 20260

Dear Mr. DeJoy:

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provides that if the U.S. Postal Service (USPS) determines that, due to the COVID-19 emergency, USPS will not be able to fund operating expenses without borrowing money, USPS may borrow up to \$10,000,000,000 from the Department of the Treasury (Treasury) to be used for operating expenses, and the Secretary of the Treasury may lend such amount to USPS upon terms and conditions mutually agreed upon by the Secretary and USPS.¹

Although USPS is able to fund its operating expenses without additional borrowing at this time, as we have discussed, it is prudent to establish a borrowing facility that USPS may draw upon should the need arise.

Attached are proposed terms and conditions for such a borrowing facility based on our recent discussions. These terms would be reflected in a loan agreement to be entered into by Treasury and USPS, which would include other terms as are customarily included in such an agreement and any other terms to which the parties may mutually agree. This letter reflects the intention of the parties but does not constitute a commitment or offer by Treasury to extend any advances to USPS.

Please confirm USPS's agreement, as approved by the USPS Board of Governors, to these terms and conditions.

Sincerely,

Steven T. Mnuchir

In T. Moule

Accepted and agreed

as of the date first written above:

Louis DeJoy

Postmaster General

¹ Pub. L. No. 116-136, Div. A, § 6001.

Term Sheet¹

Loan by U.S. Department of the Treasury to U.S. Postal Service

Under Section 6001 of the Coronavirus Aid, Relief, and Economic Security Act

Lender	U.S. Department of the Treasury (Treasury)
Borrower	United States Postal Service (USPS)
Maximum Principal Amount	\$10 billion
Availability	Funds will be available to be drawn until March 27, 2022 (two years from the date of enactment of the CARES Act)
	Extension of availability is subject to mutual agreement, to the extent consistent with the CARES Act
Maturity	All principal will mature 5 years from the date of the first advance
Repayment	Deferred interest for one year from the date of initial closing
	Semi-annual interest payments commencing in the quarter one year from the quarter in which the initial closing occurs
	All principal and accrued interest due at maturity
Use of Funds	Operating expenses; proceeds may not be used for debt service or capital expenses
Interest Rate	Fixed rate priced at each advance
	Rate equal to current average yield on outstanding marketable obligations of the United States of comparable maturity plus 0.125 percent
Maximum Cash Balance	No advances permitted if USPS cash balance exceeds \$8 billion
Size of Advances	Advances not to exceed 30 days cash need at the time of the advance, exclusive of Maximum Cash Balance, provided that this term shall not prohibit USPS from receiving more than one advance in a 30-day period in the event of an unforeseen cash shortage. The term "30 days cash need" means the amount of cash that USPS forecasts that it will spend in the 30 days following the date of the request.

¹ If agreed by the parties, these terms would be reflected in a loan agreement, which would include other terms as are customarily included in such an agreement and any other terms to which the parties may mutually agree.
