Border Patrol Agent #8

Years of service: 20

Station: Arizona

Proposed discipline: 30-day suspension

Final discipline: Letter of reprimand

Example(s):

In response to a discussion on "I'm 10-15" suggesting the Rio Grande River should be stocked with alligators and sharks to prevent migrants from entering the United States, the agent responded: **"Do the gators have CBP serial numbers on them for inventory purposes?"**
