---

Dear [REDACTED]

Please the note from Ken Moy that includes API comments to SEC in response to the SEC RFI on Climate Financial Disclosures that were submitted on Friday.

Chris

**Subject:** API SEC Submission

All,

API submitted the attached document covering our position on climate-related disclosures to the SEC this past Friday.

We will continue to work this issue with the individual Commissioners and CorpFin and will also participate in the notice and comment process assuming that is the route chosen.

Thank you.

Best,  
Ken
