**Subject:** Press release: Lightsource and BP join forces to drive growth in solar power development worldwide  
**Attachments:** Lightsource BP press release - final.docx

Please find attached a press release issued jointly this morning by BP and Lightsource, Europe's largest solar developer.

BP is making an investment of \$200mn and taking a 43% stake in the company, supporting the company's continued growth internationally. It will change its name to Lightsource BP.

Regards

David
