Subject: Alliance of Champions presenting to OGCI CTF

When: 13 August 2019 15:00-16:00 (UTC+00:00) Dublin, Edinburgh, Lisbon, London.

Where: Skype Meeting

Hi all,

We've scheduled this call for Dr. Gabrielle Walker from the Alliance of Champions to update us on the research her group has been carrying out.

For background, the Alliance of Champions is a small research group which is sponsored by Shell and others, and now OGCI, which is working on a narrative to try and get an understanding on people's positions on CCUS and how that can drive communications. The CCUS workstream started working with them about 7 months ago.

We have scheduled this immediately after our CTF call – please use this opportunity to invite other internal stakeholders from your member companies. We will record the call and share for those who are unable to join.

Thanks
Rory
