Subject: Agenda for our February 26 meeting

I want to be sure each of us has the brief agenda for our joint meeting today:

- Discussion of recent developments within and relating to the Oil and Gas Climate Initiative (OGCI) of which each of our companies is a member;
- Debrief by Bob Stout of BP America concerning his recent attendance at key panels at the annual IHS CERAWeek summit in Houston; and
- Discussion of climate-related issues of common interest, including work on carbon pricing, being undertaken by The Center for Climate and Energy Solutions and other groups.
