All,

Please see the below agenda and attached "2016 TSSC Strategy and Planning Meeting Agenda" for our in-person meeting tomorrow (Wed) at 11:30am-1:30pm (approx.) here at API.

For those attending in person, I will have copies of the agenda and all other documents in your seats. I will **not** have copies of the longer comments on tax reform. Those are simply for you as an FYI to our current comments that are only shared on an if-asked basis moving forward, typically with technical staffs. You will also see polling data and a "conversations" document that Carlton from our communications shop will discuss as we determine what our Hill message should be this year, and our message (if we choose to engage) with the public on tax issues.

I have the following attendees. If you wish to attend **and did not RSVP, please let me know ASAP.**

Chairman Kevin Avery, ConocoPhillips
Jeanne & Tim, ExxonMobil
Tucker & Jim, Ogilvy Gov. Relations
Kelcy, GE
Chris, Oxy
Troy, Hess
Brandon Kirkham, MRO
Bill and Stacy Lucas, CHV
Rob, BP
Mark Hanley, Anadarko
Jake Menefee, MPC
Caroline, P66
Scott Salmon, Shell
Stephen, API
Brian, API
Carlton, API

If you are not able to attend in person, please feel free to call in (and please mute your line after the introductions).

Number: [REDACTED]
Code: 8706026063

If you have any questions in the meantime, or wish to add something to the agenda, please let me know.

I look forward to seeing you all tomorrow.
