Dear all,

Please find below a list of actions from yesterday's meeting:

Reuters piece on strategy deadline 7 Sept for response.

Actions: Waiting to see draft, David Nicholas coordinating response

We are trying to fix for Murray to speak to Ron Bousso in advance

IPCC AR6 follow up

Actions: Matthew Duhan to share IPCC TPs with relevant people (later today) to prep for public engagements from next week

Sustainable Markets Initiative

Awareness: unlikely to have anything to announce around COP.

Greening asks

Action: on pause over August, next step for Morrell, Geoff to talk Bernard through latest draft

Redacted - First Amendment

Blue hydrogen

Action: Stuart, David Andrew to come back next week on blue vs green H2. Luke Warren recently joined gas and low carbon team and is putting together a stakeholder advocacy map and plan

Goddard, Kelly following up with Steve Pacala on Cornell paper's representation on blue hydrogen

Giulia has asked for us to develop a company view on blue vs green H2.

Jeff Swartz working out how (who) to do. And has put blue vs green on agenda for the Harvard conference at the end of the year.

Ronald Cohen FT piece on impact accounting

Jeff Swartz to follow up on Cohen's reference on Exxon, Shell, bp 'environmental costs' – quoting Harvard numbers. And to coordinate with Ovion, Sarah and Mark Johnston who is leading work on natural capital accounting paper.
