Ideas to consider (not in any order...and I reserve the right to come up with others):

Redacted - First Amendment

Business (I suggest doing one of these, not multiple unless we get a CEO one-on-one opportunity AND a roundtable opportunity)

- Ask Challenge Seattle (former Gov. Gregoire) to put together a meeting with CEOs of her membership (18 top companies in the Seattle area).
- Meeting with the CEO of Amazon and/or Microsoft
- Meeting with Bill Gates (Gates Foundation)
- Other business idea is to meet with the Board of the Washington Business Roundtable or the Seattle Metropolitan Chamber (but that would be him talking to business leaders, not CEOs)

Redacted - First Amendment

Listening to skeptics

- Town Hall/environmental discussion hosted by the University of Washington (talk to the students who might be most skeptical).

Redacted - First Amendment

Earned Media

- Editorial board with the Seattle Times or a Q&A exclusive with Seattle Times reporter, Hal Bernton.

Our Business

- Visit to Cherry Point/tour and employee town hall

Bernard Looney may be coming to Washington State week of May 11 for an external conference. We need to think about what we would want him to do....

Redacted - First Amendment

Go to Cherry Point?
Dinner with Gates?\nAmazon? Boeing?
External - youth summit

Tara will get a call together in the coming weeks with this group (after we get through SXSW)
.....feel free to reply this email with ideas

Thanks,
Mary
