Hi, Bob. See the note below from Mary Durbin. You and I agree that you should be on the Chamber's Climate Task Force. I will share with you whatever I receive from the Chamber relative to this and know you will do the same.

Thank you!

Joe

RE: Follow up and Next Steps

Thank you again to all who were able to attend last week's Leadership Council meeting. I appreciate the level of discussion and engagement. Below are a few items for follow up and an update on future meetings:

Redacted - First Amendment

- If you have not already done so, please consider participating in the US Chamber Task Force on Climate Actions – the one-page summary is attached;
- The first meeting of the Task Force on Climate Actions will be **Tuesday, November 19**, the same day as our next GEI Leadership Council meeting and the joint in-person meeting of the Chamber's Energy and Environment committees.

More details regarding specific timing for the November 19 meetings and the agendas will follow soon, but please put that date on your calendar. Please let me know if you have questions.
