FINAL version of BL's Axios briefing doc is attached – helpful messaging for future use (Tara and I are connecting next week to discuss our 'message bank' so we're not reinventing the wheel w/ every brief).

Dominic, Chan

Bernard has his interview with Axios tomorrow. It will be a long interview and so it is difficult to give him comprehensive preparatory notes. However, they did provide us with a list of 10 topics that they might want to touch on. The attached document has those topics plus some notes that we hope will be useful to Bernard.

Redacted - Privilege

Geoff will there tomorrow (I won't). I hope these are some help and that it goes well.
