Subject: Action requested: Draft 1 Sustainability Report for your review

Dear content providers and reviewers,

Thanks for all your help so far in developing BP's 2016 Sustainability Report. Please find attached Draft 1 of the report for your review and comment by **Tuesday 6 December**.

Actions requested

When reviewing your content please:

- Provide additional content needed to fill any gaps.
- Review the draft for accuracy and provide feedback using tracked changes.
- Provide any source documentation/proofpoints for content.
- Suggest charts, graphics and imagery.
- Do not review for style (e.g. capitalization) or grammar, as the report will be checked against house style.

Please note that we are already over word count in some sections, so content will be edited down for draft 2.

Thanks again,

Kate and Allison
