Yes please. We will need pics – and words! Roger will send you Bob's remarks so you can do a first draft as per Rachel's email on WGC. Does that work?

Sorry am rushing in a meeting for next couple of hours. Can catch up later on all this if you like – are you in the call at 4?

This is great Alex. I am sure it's on your plan, but any pictures that can be sent across to Chris would be great.

Sarah, wondering if you need anything for OneBP? This OGCI Ventures Day is on the same day as the first day of WGC and is being held there too. RWD is giving opening remarks. FYI, this event is only a dragon's den event – teams presenting their concepts for investment. Winners to be announced at CEO event in September – but it's a good reminder of how we are working with industry to lower emissions. Some deets attached.

Hi Christina,

Apologies for the delay. Our photographer Marc Morrison can support. Can you let me know what type of registration he will need?

Thanks,  
Alex

Hi Saphina

I am linking you up with Alexandra, who can then co-ordinate with you regarding the photographer. I am on leave returning on Tuesday, but it looks like it is possible! Great news!

Bye!

**Hello again,**

**I seem to remember that you will have a photographer at the Ventures event. I have 3 questions regarding this:**

- 1. When will your photographer make the pics available?**
- 2. If we needed, could a BP photographer take pictures?**
- 3. Where exactly is the event?**

**Thank you!**
