

KB and DL catch up Sept 15th 2020:

Key Updates:

- a. Weekly meetings update W/ Sept 14th
 - i. EST – Keith to attend
 - ii. CST – Cancel
 - iii. USBL – Cancel
- b. Dave – Exec Bio and photo updated Sept 15th (Maddie and I have)
- c. Alistair Warwick (VP Wind) – email offering to speak to bpx townhall about “transferable skills” moved from Upstream after 20 years into Wind and happy to discuss how a lot of skills transfer.
- d. Orsted Update- Meeting we had Sept 10th with Thomas Brostrom.
 - i. Follow up meeting in October with Francis Slingsby to discuss Hydrogen being worked.
 - ii. Pamela Venke has reached out to contact Mary Streett.
- e. City of Houston Climate week – recording run this Friday @ 1pm CST
 - i. Yammer and LinkedIn post will be out Monday 9/21st (KB approve)
- f. William Linn – Weekly RC&S global update being worked for William.
- g. Stem Academy Student video- Main theme: Dave describing who bp in the US and our purpose, ambition and strategy.
- h. World Mental Health Day – October 10th (Saturday) – (working on DL ask potentially 2 or 3 minute video). This would promote the “This is me” video.

Reminders – DL Action involved:

- i. Review Key US bp Business Leadership -Draft sent to you today to review. This relates to our discussion with Joe and Mary. This was led by your email on developing bp US Advocacy theme.
- j. Review New York State Op-ed – Gov. Cuomo and Transportation and Climate Initiative (TCI) encourage to jumpstart jobs and cut carbon emissions. We will promote if picked up by media. Sam Knaizer involved.
- k. Review bp Pitch Deck – Developed by US C&A approved by Legal and now socializing with Group to ensure alignment.
- l. Review IR request – bp plc 18th Largest investor (**Capital Research**) requested a meeting with Dave to discuss the role of BPX in the new BP. Darren Peers is the new analyst that replaced Matt Lanstone. Dave had introductory call with Darren (and Matt) last December 9. Meeting request for late Sept or Oct. (I have notes from the Dec. 9th meeting)
