Subject: E&E News inquiry regarding HB1110

Hi Jason,

I hope this email finds you well. I'm the reporter for E&E News who has been in touch before. I'm reaching out because I'm currently working on an article about HB 1110, a bill in the Washington state legislature that would establish a low-carbon fuel standard. I was hoping you could tell me whether BP plans to support or oppose the bill. I'm asking because BP America spent nearly \$13 million two years ago to help defeat Initiative 1631, the ballot measure in Washington state that would have established a carbon fee. Please let me know when you get the chance. My deadline is COB tomorrow. I can be reached on my cell at [REDACTED]

Thanks,
Maxine
