Ira works for IST in London and has been working to coordinate gas advocacy. I see that Poh is copied here but do. It know if he has reviewed this.

Thanks,
Bob

Dear All,
Thank you for your input on hydrogen related ongoing initiatives, policy developments and external activities from around the globe.
Here is the latest summary:

[H2.Activities.April2020.v4.xlsx](#)

And while we look for a more efficient way of sharing information, please do let me know if there are any updates worth including.

In case not seen, also sharing our latest BP positions pack, including our high level hydrogen related messages.
