Mr. Geoff Morrell
SVP, US Communications & External Affairs
BP plc

Dear Geoff,

The Economic Club of Washington, D.C. is pleased to announce a new Signature Event. **Bob Dudley, Group Chief Executive, BP plc**, will be the featured guest at a luncheon on **Thursday, June 23, 2016**. The luncheon will be held at **The Ronald Reagan Building and International Trade Center** in the Atrium Hall [REDACTED]

[REDACTED] The reception for this event will begin at 11:00 A.M., followed by the luncheon from 12:00 P.M. to 1:30 P.M.

Bob Dudley has served as Group Chief Executive of BP since October 2010. BP is one of the world's leading integrated oil and gas companies, with 80,000 employees in more than 70 countries. Over the past decade, BP has invested \$90 billion in the United States, more than any other energy company. BP's roots in America date back 150 years through heritage companies including ARCO, Standard Oil of Ohio and Amoco. Mr. Dudley began working for Amoco in 1979 and held a variety of engineering, commercial and strategy posts in the U.S., the United Kingdom, Russia and China before becoming the first American to lead BP. In addition to the BP board, Mr. Dudley serves as a director of Rosneft. He earned a bachelor's degree in chemical engineering from the University of Illinois, a master's degree in international management from Thunderbird School of Global Management and an MBA from Southern Methodist University.
