Hi Team - As we talked about, SJ very much wants to travel to Utah to meet with local stakeholders, the tribes, local electeds, and the public to discuss conservation in southern Utah. She'll want to cover the PLI (whichever draft is public at the time) and other proposals that have been floated (e.g., Bears Ears, Dine Bikeyah, historic legislative proposals). [REDACTED], I know you mentioned that Congressman Chaffetz is going to be out of country. But, [REDACTED], is there any chance Sen. Hatch can join us for some of the trip? I'd like to talk to [REDACTED] about Congressman Bishop's availability too. Could one of you please connect me? Are there any other MOCs who I should reach out to, to see if they'd like to join us? As I mentioned last week, we'd also be happy to have you guys join us or someone from your offices. Are either of you available to come? During her visit, we'd like to have smaller meetings with PLI supporters in San Juan County. Would one of you be able to send me a list of folks we should be talking with? I'm open to any and all suggestions. Finally, if July doesn't work for your bosses, I know [REDACTED] is also interested in traveling out there (potentially in August). Are there some dates that could work for a trip with him? Thanks again for your help with this. We want to get this trip as right as we possibly can. I'll be sure to report back to you guys in our meeting with the tribes tomorrow. All my best, Nikki

Let us know if we should all be getting on the phone soon.

Thanks, Nikki. As discussed, Rep. Chaffetz will be traveling overseas on official business as soon as the House recesses on Friday July 15. So combined with the House voting scheduled and his CODEL, he will be unable to tour Utah with the Secretary. However, he has directed me to attend in his place. Do you have a sense of timing (i.e. Arrival day/time, departure day/time, and schedule openings)? I am happy to facilitate meetings, including in San Juan County, just pass along as many details as you can regarding the schedule. Regarding other MOCs, I would imagine the voting scheduled will impede their ability to travel as well. However, Rep. Bishop Staffer <[REDACTED]@mail.house.gov> could answer for sure regarding Rep. Bishop.
