

LOUISE M. SLAUGHTER
CONGRESS OF THE UNITED STATES
25TH DISTRICT, NEW YORK

October 13, 2015

The Honorable Jason Chaffetz
Chairman
House Committee on Oversight and Government Reform
2157 Rayburn House Office Building
Washington, DC 20515

Dear Chairman Chaffetz:

It has come to my attention that the Committee on Oversight and Government Reform has received computer hard drives containing videos produced by David Daleiden, Executive Director of the so-called Center for Medical Progress, but copies have not yet been provided to the Minority Staff. This appears to be a direct violation of the subpoena you issued to Mr. Daleiden on September 15, 2015. Schedule Instruction 18 of that subpoena states, "two sets of documents shall be delivered, one set to the Majority Staff and one set to the Minority Staff."

I write to demand that the Committee immediately provide original duplicate copies of these hard drives to the Minority Staff of the Committee in accordance with the subpoena you issued. Full, bipartisan, and unrestricted access to these materials is necessary for a proper investigation into the claims the Center for Medical Progress has levied against Planned Parenthood, a trusted provider of health services for millions of Americans.

Sincerely,

A handwritten signature in blue ink that reads "Louise M. Slaughter".
