Bob, staff is concerned that we are not consistent in our messages to earmark grantees. Per our understanding, these calls were to be handled by Program Managers and to protect you from folks beating down your door by saying that you are not available. Is this correct? Open door for one and others will follow, you know how the grapevine works!

Good morning Ron,

I received a call from Lisa Pion-Berlin of Parents Anonymous (PA) yesterday. I had spoken with her on Wednesday, March 28, to inform her that Administrator Flores was not available to meet with her when she is in town from April 9-11, nor would she be able to meet with you at that time. It had been my understanding that this request had been addressed a few weeks ago and that Michelle DeKonty had indicated to Katherine that any meeting with PA would happen at the program manager level.

During my call with Lisa yesterday, she informed me that a Parent Leader from PA had met Bob at the National Press Club yesterday. Lisa stated that the Parent Leader informed her that Bob indicated that he could meet with Lisa during the week of April 9. I think that the front office may be willing to meet with Lisa and I am therefore requesting your assistance in facilitating the scheduling of this meeting. Lisa is available April 9; April 10 and the morning of April 11.

Thank you.

Jackie
