Dear Michele:

In my meeting this a.m. with Ms. Lisa Cummins of Urban Strategies, I recommended that she contact you regarding Victory Outreach, a faith-based ministry with 40 years of work among gang members at 300 US sites. Lisa formerly was Senior VP for community development at Bank of America and then Associate Director of the White House Office On Faith-Based and Community Initiatives, so I know you will find her a great asset to the work of JJDP.
